KMAT Counseling Round 2022

The dates for the KMAT 2022 counseling session are not yet declared. The counseling dates will be released after the declaration of the result. The [KMAT Karnataka counselling](#) session is likely to be held in January 2023. The counseling session will take place over two rounds: Group Discussion (GD) and Personal Interview (PI). Both the rounds will be conducted according to the individual institutes' schedule.

First, the KMAT accepting colleges will publish their respective merit list of the selected candidates who match the KMAT cutoff criteria. Consequently, the candidates featured in the merit list will be called to attend the counseling session. A final merit list will be formulated after the counseling session which will be created on the basis of scores obtained by the applicants in the group discussion and Personal Interview round. At last, the candidates mentioned in the final merit list will be offered admission after document verification.

Important Points About KMAT Karnataka 2022

- The final selection of the candidates will be in the hands of the respective university. Clearing the KMAT exam 2022 will not assure the admission of the candidate. Only the candidates who score higher than the cut off marks will be shortlisted for further selection. The candidates must cross the cut off marks as per the university to avail admission in the respective college.
- Even though the candidates have to take the KMAT Karnataka 2022, the candidates must not use any electronic devices such as phone, calculator, watch, etc. during the course of exam.
- Notification to the candidates will be sent on their registered email IDs to attend the counseling session.
- The individual score obtained in KMATMarks of the previous qualifying exam, marks obtained in the main subject in Graduation will be taken into consideration to narrow down the final contenders for the KMAT counseling session.
